- 10. Christmas Carols!** New for 2023! We're thrilled to add The Dickens Carolers to our daily line-up. They're a Portland institution having made numerous appearances on local news and around town during the holidays. After nearly 40 years, these vocalists' 4-part harmonies and deep repertoire of Christmas carols make them a welcome addition to this year's show. You'll find their performance times on the show's website under "Attractions".
